

**CHIEF MINISTER'S OFFICE
GOVERNMENT OF TELANGANA**

PRESS RELEASE

24th February, 2016

ENRAF-NONIUS India, subsidiary of ENRAF-NONIUS Netherlands, experts in designing, building and funding models submitted a proposal for setting-up state of the art hospitals in Telangana, with Netherlands based Rabobank funding to a tune of Rs. 5000 crore on annuity pay-back basis. Company's country head Sri Sunil Agarwal, Liaison Director Sri Hilal Rather, Director of Construction Sri Suresh Gupta and others called on the Chief Minister Sri K Chandrashekar Rao on Tuesday evening in camp office and conveyed their willingness to set up the hospitals.

Finance Minister Sri Etela Rajendar, Health Minister Sri C. Laxma Reddy, Chief Secretary Dr Rajiv Sharma, CMO Principal Secretary Sri S Narsing Rao, Principal Secretary Health Sri Rajeswara Tiwari, Finance Secretary Sri Ramakrishna Rao, Commissioner Information and Public Relations Sri Navin Mittal and others were present in the meeting.

Hon'ble CM told the representatives of ENRAF-NONIUS India that Telangana Government is planning to set-up hospitals in Hyderabad, Warangal, Khammam and Karimnagar which together would be of 5000 + beds in all and would look forward for their participation in building them. The Chief Minister had a discussion with them on the modalities of funding and the time that is likely to take to complete the projects from the time an agreement is reached.

Company's country head Sri Sunil Agarwal informed the CM that they have done similar work in countries like Sri Lanka and extended an invitation to the Health Minister and his team to visit that nation.

The hospital that ENRAF-NONIUS has proposed will primarily be a multi-speciality hospital providing state of the art facilities in medicine, surgery, paediatrics, and also in the super speciality of cardiology and cardiothoracic surgery. It will have best of the diagnostic facilities of all types.

CM has asked a team of officers from Health Department led by Health Minister Dr C. Laxma Reddy to visit Sri Lanka this week-end and study the facilities in the hospital built by ENRAF-NONIUS.
